Heritage Square Music Hall Staff and Customers donate to the Jeffco Action Center

Donation Campaign Helps fill up the Empty Shelves with Blankets for Neighbors in Need

GOLDEN, CO., March 12, 2010 – The staff at Heritage Square Music Hall Dinner Theatre dropped off a car load of blankets to support the Jeffco Action Center. The center provides help and support by offering items and services to people in the community who are homeless or need assistance during a difficult time.

The Music Hall recently hosted a drop off site for donated blankets and in return for the donations; the Music Hall gave each donor a \$10.00 off voucher towards a theatre ticket purchase for *The Pinch Hitter* baseball show. Staff and customers were happy to donate and enjoyed reaching out to their local community members.

"This project is an outstanding example of how a business can educate and mobilize their clients and employees to help ease a situation that most might never have even known existed. I am proud of what the Music Hall has done and would encourage other businesses to look for creative ways to help those that are in the greatest need today."
